

Letter of Introduction to Homestay

Please use the space below (or a separate paper) to write a letter of introduction in English to your future homestay family. Provide detailed and personal information that will help the family understand your personality, background, lifestyle and habits. Please include the types of information that you would like your host family to know about you. Examples of topics you might include: your interests and hobbies, things that you like to do on the weekend with your friends and family, your favourite subjects at school, your favourite foods, what you hope to gain from your experience in Canada, what you hope to do in the future, what motivated you to choose to study in Canada, etc. Please type your letter, if possible.
