### **School Division Activities:**

Educational activity programs involve certain elements of risk. Injuries may occur while participating in certain activities. The risk of sustaining injuries results from the nature of the activity and can occur without fault of either the student or the School Board, its employees, or the facility where the activity is taking place. By choosing to take part in certain activities, you are accepting the risk that your child may be injured. The chance of injury occurring can be reduced by carefully following instructions at all times while engaged in the activity. The School Board does not provide accidental death, disability dismemberment or medical expense insurance on behalf of students participating in these activities. All students participating in trips that involve risk and/or trips outside the city must have supplemental medical insurance and written permission from a parent/legal guardian for each trip.
